(This is an opportunity to pose questions on this quasi-judicial matter. Action is scheduled for April 21st.)

*Quasi-judicial matters are those in which the Councilmembers sit as "judges" to decide issues involving specifically identified property or other rights between individuals or parties. This is as opposed to the Council's usual role of acting in a legislative or policy-making capacity.

(Study Session may reconvene after the Regular Session if all items are not completed prior to 8:00 PM)
